

Welcome to Green Guides

The goal of the Green Guides program is to increase healthy and sustainable living in Oak Park and River Forest. So many resources and opportunities exist to help us live healthier and more sustainably, but sometimes it's challenging to keep up with the latest information and opportunities. Green Guides link their neighbors to these services and make it easy for residents to be informed.

FAQs:

- **How much do Green Guides have to know before they can sign up?**
 - o Nothing. After you sign up we will provide all of the information and resources you need.
- **Where do Green Guides find their resources?**
 - o Some will be sent directly to you each season, plus there is a very thorough online resource and you can feel free to email us with questions any time.
- **How do Green Guides promote these resources?**
 - o That is up to you! However you interact best with your neighbors... email, call, face-to-face, at a block party, or in response to a question.
- **What is the time commitment for a Green Guide?**
 - o There is no specific time commitment. Each neighborhood will be different, and Green Guides can do what works for them.
- **Can Green Guides sign-up for more than one-block?**
 - o Yes, sign up for an area that you feel comfortable communicating with.
- **Who can answer a question I have?**
 - o Contact us at the email listed below.
- **Where do I sign up?**
 - o Follow the link at the bottom of the page to fill out a short form.
- **When do things get started?**
 - o Join us for a Meet-and-Greet at the Oak Park Main Library: Thurs., Jan. 28, at 10am –OR– Tue. Feb 2th at 7pm for refreshments and conversation
- **Thank you for your interest in being a Green Guide!**
